

MiVoice 6900 Phone Series for MiVoice Connect

6940 IP Phone

The powerful device to give business leaders the edge.

The 6940 IP Phone is designed for executive users who demand a lot from their phone. This top-level phone offers a large 7" touch display, powerful crystal-clear HD audio through a unique cordless Bluetooth voice optimized handset and programmable personal keys. Mobile Integration, Dual Gigabit Ethernet ports and a full-duplex speakerphone ensure the 6940 IP delivers a robust and productivity-enhancing experience.

6930 IP Phone

A robust and highly customizable communication tool.

The 6930 IP phone commands the desktop with its large 4.3" color display, powerful crystal-clear HD audio through the voice optimized handset, programmable personal keys, Bluetooth 4.1 with Mobile Integration, mobile phone USB charging point and choice of expansion modules makes the 6930 IP the choice of power users.

6920 IP Phone

A balanced combination of flexibility and reliability.

The 6920 IP phone is designed from the ground up for the enterprise user who requires an exceptional HD audio experience via its unique voice optimized handset. It offers a 3.5" color LCD display, dual GigE, programmable personal keys and context-sensitive soft keys, support for both USB & Analog headsets.

6910 IP Phone

An exceptional standard business phone.

The 6910 IP Phone offers exceptional quality and value in an enterprise grade IP desktop phone with a 3.4" LCD display, programmable keys, high definition audio, and analog headset with DHSG/EHS support.

One Family For All Levels of Business
